Finding contemporary elegance.....

We think you can find this sort of contemporary elegance using Kairns by [WILSON FABRICS](#). Kairns comes blackout coated as well as an uncoated fabric in most, but not all, of the colours.

A beautiful texture and a slight sheen give it the edge in elegance.

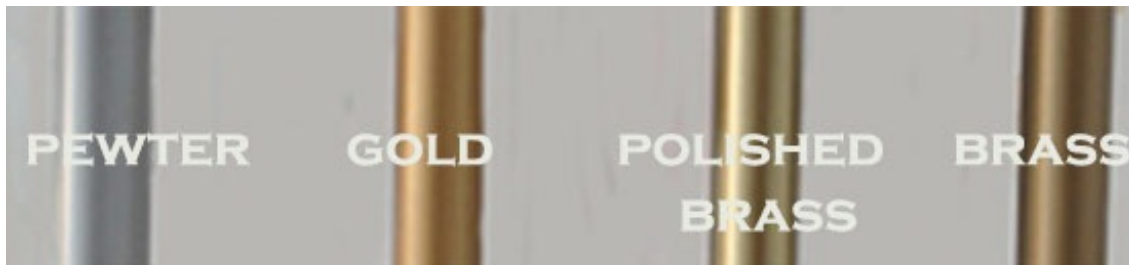

Kairns is in our [COATED FABRICS](#) category and also our [PLAIN FABRICS](#) category as an uncoated fabric.

Add a devine track....

Timber HAND PAINTED to look just like metal.
We call them the ["SIMPLY METALLICS"](#).

All the colours appear below and there are
three choices in the FILIGREE METAL END.....

Brass, Chrome and Matt Silver

A LITTLE LABEL THAT MEANS A LOT!

We make all our curtains in AUSTRALIAN
workrooms.

We love to support AUSTRALIAN MADE
fabrics.

WILSON KAIRNS is one of them.

Our poles are all HAND PAINTED in
AUSTRALIA.

Our tracks are also assembled locally.

We are proud to promote AUSTRALIAN
PRODUCTS and AUSTRALIAN BUSINESSES
