*"The ultimate inspiration is...
the deadline!"* Nolan Bushnell

A row of eight colorful felt bunny figurines in various colors: pink, orange, red, green, yellow, magenta, light blue, and lime green.

And speaking of inspiration....

We want to inspire you by showing you

curtains from around the world in many different types of rooms and styles designed by both Australian and overseas designers. You will see just how much the curtains contribute to a room.

This genuinely lovely liveable room is by [@victoriahageninteriors](#) in New York. The photo was taken by [@francescolagnese](#) and is from [@archdigest](#).

Check out our [CURTAIN STYLES](#) and see that you can have your curtains made like this. Plain, but oh so classy!

Don't forget....

We can help you with any of your curtain queries. Email us at info@onlinecurtains.com

Also....

If you find a fabric you love and it isn't on our site, we may be able to enter it so that you can go ahead and get an online quote from us. All our quotes include GST and delivery.
